Courses Move to Foundation Programme - Batch 2020 (Courses Move to Foundation Programme - Batch

Selected Course

INSTRUCTIONS

- Course registration starts in phases. Please look at the schedule for your registration which was communicated to you earlier on your "@Ahduni.edu.in" mail.
- You can see the courses you have already taken or cleared on the top left side of your registration screen under "My Courses"
- You can add/drop courses multiple times as per your requirements on your scheduled day and the days open for all during the pre-registrations and before the deadline as specified in the announcement.
- After the selection of course(s), you may view your schedule or log, in on your course registration page.
- Courses taken by you during the course registration will be allotted subject to fulfilment of prerequisites and other requirements as specified by your programme.

- **Preferences:** After the registration of courses with maximum allowed credit limits, you may add up to three courses as your preferences. Please note that adding courses as a preference will not guarantee you the allotment. The programme office will evaluate the preferences set by you and will allocate the courses, in the way they find suitable based on the resources available.
- If you have any queries regarding courses such as core or elective, schedule, number of seats in the course, intake full, course not offered to your programme or batch, instructor, abstract or course outline, you should contact your Programme Office.
- Contact list of people who are responsible to answer the queries regarding course registration is listed on AURIS under **University Resources->Office of the Academic Registrar** section.
- For any technical queries related to the registration process on AURIS, you may write to **academic.registrar@ahduni.edu.in**. Please send a screenshot of the technical problem you are facing, which will allow us to resolve your problem quickly.
- Later on, during the entire Final Registration period and subsequently on commencement of the Semester, one can also add available course/s up to 7 days from the scheduled start date of the Semester and one can drop a course/s up to 28 days from the scheduled start date of the Semester.
- **Please check the syllabus of courses for which you are registering to ensure that there is not much overlap between these courses and other courses you may have taken at the university or in school. If there is much overlap you may later be asked to de-register from the course. If you have any doubt about being eligible for a course please contact your Programme Chair.**
- **For Full-Semester and Bi-Semester Courses:**
Add Period: One week from the start date of the course
Drop Period: Four weeks from the start date of the course
- **For Pre-mid/ Post-mid/Quarter Courses:**
Add Period: One week from the start date of the course
Drop Period: Four weeks from the start date of the course
- Please do not use Mobile or Tablet for course registration.
- Google Chrome and Firefox web browsers are best suited for course registration.
- You can swap a course that you have already registered for, for a course that you want to register for, by using **ADD SWAP COURSE** button. This button will be active only when the remaining credits to be taken are 3 or fewer
